Homecoming 1967

The armory resounded with the echoes of clanging hammers and excited voices. This was the night time home of many students during Homecoming week. The floats were under construction. The seniors' trophy winning creation was entitled "Expecting a Victory." A large white stork was perched on goal posts with a Tiger victory nestled in his diaper. The juniors' were urging us to "Stop 'Em In Their Tracks." An enormous tiger paw loomed in front of the Lincoln train. For their first year, the sophomores presented a fine effort. A guillo-

tine foretold the fate of the Lincoln players with the sophomore hope to "Head Em Off." In the parade on Friday, we got to display our work and enthusiasm. Our Homecoming queen was revealed. Senior Judy Baker reigned with Shirley Crouse, a junior, and Nancy Eberhardt, a sophomore, as her court.

Our Tigers put forth a valiant show in the game Friday night, but lost by a mere point, 13—14.

ACTIVITIES

“There’s Rosemary— That’s for Rememberance”— Shakespeare

“Enter the Young” was the theme selected by the Rosemary staff for the 1968 Rosemary. This year, instead of dedicating the yearbook to a teacher or other personality, the Rosemary staff decided to dedicate it to you, the students of Urbana High School. We feel you are worthy of a yearbook explicitly planned and detailed just for you. “So now that you are being honored, enjoy it!”

ECHO

Vol. 56 Special Edition to Rosemary

Echo Feels the Pulse of U.H.S. School Life

Echo had many firsts this year. They were president of ISHSPA, wrote more stories affecting students, sold subscriptions in the fall to increase circulation, and wrote interviews and reviews with people students were interested in. All these things helped to make the school paper more of a paper for the students. Feature stories covering the Student Forum, gave non-participants a view of the activities at the student meetings. Jenny McFarlane, our exchange student, also had column space to write about her native country, South Africa. Sports around Urbana High School were detailed with almost the same excitement that was experienced at the actual event.

All activities around Urbana High School were kept track of by the roving reporters seen slipping through halls and hiding in doorways, trying to get the "real" story on happenings. And Echo must be credited with their objective point of view in presenting articles of major importance to students. Editors of this year's Echo were Betsy Hanson, Conna Judy, and Don Kurtz. The editors also wrote for "Corridor Gossip" which appeared each week in the News-Gazette. With the many things Echo did, each project was successful in giving everyone who read either the Echo or "Corridor Gossip" a good view of the students at U.H.S. The Rosemary congratulates our counterparts across the hall.

Art Club Revolves Around World Full of Color

Art Club enriched the school with its varied talent this year. At Christmas time, the club sold bright clay jewelry which was spotted all around Urbana High School and was received by many in their Christmas stockings. The project was started in an effort to eliminate the payment of dues, and to finance field trips throughout the year. The effort was successful as exemplified by a particular Dean of Girls who was noticed carrying a large box full of . . . clinking clay jewelry? Anyway, Art Club was able to travel to the Chicago Art Museum, Old Town, and a Jewish synagogue where a famous masterpiece hung. Art Club hoped to travel again to Chicago to view other works they missed seeing.

ART CLUB OFFICERS: *Front row:* Bill May, Pres.; Jon Tomlinson, Pub. Chairman. *Second row:* Jim Sanantonio, Treas; Joan Sinclair, Sec; Gordon Hutchens, Vice-Pres.

INTER-HIGH COUNCIL MEMBERS: *Front row:* Rene Krasnow, Sue Campbell, Peggy Slife. *Second row:* Barb Seyler, Susie Bryant, Charles Slife, Patty Scaff. *Third row:* Sylvia Murrel, Mary Gates, Steve Sefcik, Beth Anderson.

There's Something New at Inter-High

The old Tri-High Council became the new Inter-High Council this year. Inter-High Council, which is now closely associated with Student Council, links together the four schools in an organization to promote better understanding and relationships between students of the four schools. Inter-High Council sponsors one exchange between the schools in the winter and they try to sponsor one in the spring. This year applicants for exchanges were asked to submit information about themselves to the Council. They then were interviewed by a Council member with questions every Urbana student should know. The Inter-High Dance was held in January with all four schools in attendance.

DEN COUNCIL MEMBERS: *First row:* Charles Knight, Sandy McCormick, Cindy Parkinson, Pete Alagna, Barb Frinrock, Tom Campbell, Marty Thornberry. *Second row:* Cloydia Hill, Sally Hindman, Kathy Jacobs, Tom Moyer, Mary Moore, Steve Keiner. *Third row:* Tom Baker, Nancy Eberhardt, Leslie Phillips, Chris Martin, Kim Keller, Sue Campbell, Judy Baker. *Fourth row:* Mark Ellis, Glen Farber, Kim Legue, Tom Dickinson. *Absent:* Greg Foster, Gayle Fraunfelder, Sherry Haight, Andy Green, Jim Leonard.

Bands Galore

Top bands, filled coke and candy machines, and room to dance, all combined together to make a successful year for Den Council. An executive board headed by Tom Moyer proved to be an efficient organization. Around Christmas time Den Council members were planning to redecorate the "Tigers Den." for the beginning of the new year. In the fall the "Tigers Den" was the scene of the Homecoming Dance, "Everybody's Gone To The Moon." The atmosphere was a little off the traditional, but the band was good and all those who attended agreed it was fun.

SK Promotes Sisterhood!

This year Social Klub continued its diplomatic relations with the girls at Urbana High School. A Big Little Sister Party began the year's activities of SK. Refreshments and entertainment spotlighted the annual party. This party is an effort by SK to get senior girls acquainted with underclassmen girls. A small fee entitled all girls the right to participate in SK activities. These activities include a hop after a football game, Christmas tree decorating and a breakfast for senior girls in the spring. The Christmas trees that were decorated were given to needy families in the Urbana area. So find a sister in SK!

SK OFFICERS: *Front row:* Mary Moore, Sec.; Barb Crawford, Junior Rep.; Cynthia Snearly, Vice-Pres. *Second row:* Joan Wikoff, Pres.; Ann Mussey.

PEP CLUB OFFICERS: *Front row:* Barb Crawford, Jr. Rep. *Second row:* Shelly Moore, Soph. Rep.; Sue Longenbaugh, Sr. Rep.; Pam Schmidt, Jr. Rep.; Kathy Bair, Soph. Rep.; Barb Seyler, Sr. Rep.

Pep Club Peps Up U.H.S.

A hard-working group of girls helped build the atmosphere of both the team and the students during game time throughout the year. A Snoopy wonderland of characters graced lockers and halls and the aroma of home-baked cookies and cakes could be smelled everywhere. Pep Club also helped the cheerleaders sell humorous ribbons picturing the "Fightin' Tigers."

JETS Advance with Science

Junior Engineering Technological Society, commonly known as JETS, is Urbana High School's amateur rocketeer society. But they not only build and launch rockets, they view lasers, study Chryogenics and organic chemistry, and take field trips to various University of Illinois laboratories. Under the supervision of Mr. Smith, physics teacher, and Mr. Matzner, chemistry teacher, JETS are able to experiment in a highly complex field of science. This year JETS Club was led by Sherwin Gooch, Pres.; Uli Frauenfelder, Vice-Pres.; Dhru Saxena, Sec.; and John Ducey, Pub. Chr.

Typical Pep Club gossip: "Hey Mar, Got a date this week-end?"

"Inerunt Iuvenes"

Betsy Sutton, Aedile; Steve VanArsdell, Aedile.

The renowned Latin Club slave auction was held last fall. This is the event where Latin Club members auction off their new members for sums of money. The money raised from this project is used for various other activities throughout the year. With part of the money, the club was able to travel to Chicago, Old Town, to see the Latin play "Antigone." They also hoped to see another play in January. In preparation for Christmas, the Latin Club caroled at various homes. A Latin Club Banquet, where members dressed in costumes was held, and a picnic at the end of the year was also part of the club's activities.

"Entrez les Jeunes"

Initiation for new French Club members was held in the early fall of 1967. Slides of France were shown and french food was served. Christmas brought French Club members out in the cold winter air to sing french carols, and after caroling a party was held at Mme. Stravinsky's house where French delicacies were served the carolers. A new item that was being planned, was the presentation of a play to be given sometime during the year. In the spring, the new officers were elected at a picnic.

SPANISH CLUB OFFICERS: Wanda Thomas, Pres.; Laurie Casagrande, Sec.; Debbie Garmin, Treas.; Ralph Hursey, V-Pres.

"Entre el Joven"

The Spanish Club had a spanish singer at their annual Christmas party this year. She was just part of the activities of their party, that also featured spicy spanish food and the traditional pinata filled with candy and gifts. Also the club formally initiated its new members at the party. Spanish Club charms for members was the newest addition to the various activities of Spanish Club. Finally a spring picnic for all the members rounded out the year for Spanish Club. This year's officers were Wanda Thomas, Pres.; Ralph Hursey, Vice-Pres.; Laurie Casagrande, Sec.; and Debbie Garmin, Treas.

A.F.S.: First row: Miss Bauer. Second row: Marlene Porter; Ann Mussey, Jennifer McFarlane, exchange student, Betsy Hanson.

An Industrious A.F.S. Works Toward Their Goal

Donut sales, shorts and slacks days, and stationery depicting Urbana High School, were a few of the money-making projects the American Field Service used this year to finance a foreign exchange student. Each year U.H.S. has had the opportunity to send a student to a foreign country and to host one in our community. This year our exchange student was Betsy Hanson. She lived with her "family" in Yokahoma, Japan. At the beginning of the school year Betsy spoke to the student body about her summer experience. Also at the assembly we met Jennifer McFarlane, our exchange student from South Africa, who is living in Urbana for the school year. We must thank A.F.S. for the enriching experiences these students have brought.

Student Council Ends Year with Success

Student Council sixty strong, led the school in another year of outstanding accomplishments. Here are just a "few" of the many things Student Council sponsored: in the fall, a Howdy Hop featured the new students of Urbana High School, and welcome packets introduced Urbana High School to the new students. Class elections, Student Council elections, football clean-ups, a Champaign District Student Council Convention, the "Tigerectory" and the Student Lounge rounded out the Student Council's activities for the fall. Winter brought the Christmas Basket for a needy family, and the "Winter Fantasy" which featured "Miss Rosemary." Finally the "Vice-Versa Dance in the spring ended a highly successful year for Student Council. An all-girl executive board headed by Sue Campbell, Pres., conducted Student Council's meetings.

Orchesis Dances Through the News; Terripan Takes a Trip to the City.

"The National Observer" was this year's title of Orchesis Club's annual show. This production was given Friday and Saturday evening, March 29 and 30 in Cobb Memorial Auditorium. The theme of the show centered around the action found in a newspaper. Some of the highlights were the Salvation Army, hallucinogenic drugs, world situations, the weather report, lost and found and obituaries.

Besides the show, Orchesis members danced for various community activities in the area. In December, members performed for the USO and also for an elderly citizens club. Later two dances from the show were presented for the Symphony Ball at the Lincoln Square Mall.

Twenty members, including the new members chosen in the fall, made up the cast of Terripan Club's annual show. Their show entitled "The City," was held April 2,3,4 and 5. Murder, smog, garbage collectors, beggars, traffic jams and parades were some of the activities found in "The City" that Terripan depicted through synchronized swimming skills. The use of different types of music were an added attraction to this annual affair. Long practice sessions beginning months before resulted in a professional appearing swim show.

1968 Terripan officers were Ann Mussey, Pres; Kim Keller, Vic-Pres; Lesley Phillips, Sec; and Kay Kummerow, Treas.

Drama Club presented three plays during the year including both a fantasy and a mystery. Their fine acting ability not only delighted the Urbana High School audiences but impressed the judges at state contests. An increased membership and good directing resulted in professional plays.

"Did you happen to notice a few new faces and figures in the band this year?" If you did, then you saw Urbana High School's new Pom-Pom Girls. They, with the Banner Girls and Majorettes, led the Urbana High School Marching Band at all the games and activities the band was involved in. White and orange were the colors the Pom-Pom Girls and Banner Girls wore.

Marching Band Loaded with Talent

The Urbana High School Marching Band sparked half-time entertainment throughout the football season. New dance routines and the many formations added to the enjoyment of watching and listening to the band perform. Popular songs such as "Georgy Girl" and "Music To Watch Girls By" brought some new life into the traditional marching band music.

The U.H.S. Marching Band was one of the many bands that participated in the University of Illinois Band Day in October. They also were able to travel to the Newton Band Festival at Newton, Illinois.

The Urbana High School Concert Band presented its musical ability in several concerts and exhibitions throughout the year. November 9, the band played at Lincoln Square for the American Education Week. The winter concert was presented in February with Prof. John O'Connor, guest conductor. In the spring the band traveled to Pekin for contest. Also in the spring the band was one of ten bands in the state invited to play at Illinois State Normal University. In May, Senior Recognition was held.

Afro-American History Club Probes into Background.

On February 7, the Board of Directors of the newly established Afro-American History Club, held their first meeting. The club studied the Negro history, its culture, its contributions to society and its growth among other things. Also the club delved into the problems of the Negro, the reason for these problems and possible solutions to them. The club felt it was important that individuals know something about the Negro history and culture before they could properly understand the problems existing now. Speakers and movies were featured at several meetings. Discussion groups were organized to talk over various topics.

Skill Exemplified Both in Art and Safe Driving

A new organization was established this year with the purpose of making teenagers at Urbana High School aware of traffic safety. Linda Wingler was the chairman of the new twelve member Traffic Safety Committee. The committee presented an assembly in the fall which featured Mr. Cheeseburg, a former race car driver at the Indianapolis 500. He showed the students a movie and spoke to them about the importance of safe driving skills. During the two-week period before Christmas, the committee sponsored a campaign for safety over the holidays titled "Don't Make This Christmas Your Last." Members decorated halls with posters and displays on the topic. In the spring, the committee hoped to hold another assembly and help the police in sponsoring a lane-check for city residents.

Many art students at Urbana High won blue ribbons at the annual art showing at Robeson's. The artifacts ranged from needle work and photographs to pottery and paintings. Marilyn Ormsbee won the highest award at the showing, the Hallmark award, for excellence in her sketch. Her sketch will now proceed to the national Hallmark contest in New York.

Debate Team Talks Its Way to Victory!

For the first time in many years Urbana High School produced a first-rate debate team. Sponsored by Mrs. Griffiths the team placed third in the sectional debate contest. Two months of research work went into the preparation of the topic. The topic was; Resolved: That Congress establish uniform regulations controlling criminal investigation procedures.

Keith Wingate and Don Kurtz feverishly search through files and books for information to attack their foes.

Back Stage . . .

The Production Crew worked at creating new effects in lighting, props and make-up during the past year. Exciting effects produced by the crew, enlivened the various shows. The only qualifications for crew members was that they be interested in lighting techniques and the back stage technicalities that go into presenting a show. Thunderclouds, violins and lullabys resounded through productions, and the use of simple spotlighting added to the entire effect impressed on the audience. Props rather than flats also helped in creating authenticity in plays that shouldn't be overwhelmed by elaborate backdrops.

SPORTS

Tigers Finish in Triumph

For the better part of the 1967 season, the Urbana Tigers showed themselves to be a very exciting yet inconsistent football team. The gridgers looked good in their season opener, defeating Rantoul 33—8. However, the following week Urbana fell to MacArthur. After Coach Warren Smith made several key changes, the Tigers responded with a 46—6 defeat at Danville.

The season continued its up and down ways until the Champaign game. It was in this game that Urbana finally reached its potential. Defensively, the Tigers gridgers stopped Champaign's feared option play, and smothered the Maroon runners with gang tackling. Offensively Urbana opened gaping holes in the Champaign line and scored the clinching touchdown on an 89 yard sustained march which Coach Warren Smith said was, "The finest drive I've seen in my coaching career."

Another key factor in the Tiger success was the leadership of co-captains, Tom Dickinson and Dan Morris. Dickinson received the Pittman award for outstanding lineman and Morris received the Waldron award for outstanding defensive play. Overall, Coach Smith called this season a great team effort and described his team in one word, "Courage".

Strong Sophs Have Varsity Potential

The 1967 sophomore football team lived up to the fine tradition set by previous Urbana teams. The Tigers scored a total of 178 points in 10 games and finished with a winning 7-3 record.

This year the sophs had a big line which opened up many holes for running backs like Kerry Hopkins and held the opposition to short yardage. Coach Dave Castevens attributed much of the young Tigers' success to their "traditional Tiger fight and spirit."

Young Harriers Already Strong Competitors

1967 was a year of change for the Urbana cross-country team. Gene Armer, who had given excellent coaching to Urbana teams for almost twenty years, was gone. The top six runners of the 1966 team, who had led Urbana for three years were also gone.

But the tradition of fine Urbana cross-country was not gone. The tradition has continued with a new coach, Bill Plymire, and with a young team containing only one senior. The acknowledgement of this tradition was evident in the performance of this year's Tiger runners.

Urbana began the season with a victory over Paris and finished the season with a dual meet record of 6—3. The Tigers also did very well in the big meets containing more than thirty schools. In the Paris Invitational, Captain John Sherrod was the individual winner and led his team to second place overall. The highlight of the season was a strong second place finish in the Big 12 Conference Meet.

John Sherrod led the team for most of the year until he suffered a painful hip injury. Larry Abernathy, the second man, filled in for John so well that Coach Plymire awarded him the Captainship for next season. Gary Shaw, just a sophomore was next with juniors Roy Roberts, Mike Giddens, Leon Cardiff, and senior Jeff Alexander rounding out the seven runners. With six men returning next year, there is no doubt that the tradition will be carried on.

Tigers Cope Regional Title, Best Record Ever

1968 was a year of triumph for Urbana basketball. In addition to winning the regional title, the Tigers won twenty-two games to set its best record in the history of the school. They finished a very close third in one of the state's toughest conferences, and the greatest triumph of all was defeating arch rival Champaign Central two out of three times, to establish their rule over the twin-cities.

With a Team composed mainly of seniors, Coach Oscar Adams put together an aggressive, experienced and balanced team. Top scorer, Ardell Webb, Co-captain Bill Mock and Ron Bitler all had scoring averages within a few points of each other. Co-captain Dave Werkman, Willie Southall, Mark Beckrum and Terry Ruppel added to the Tiger depth.

But the whole season came down to the regional game between Champaign Central and Urbana. The teams had split their two previous games and were battling for twin-city supremacy and the chance to advance further in the state tournament. And the game itself came down to the final 6 seconds with Champaign leading 60-59. They passed the ball into Willie Southall, who dribbled his way toward the basket as the seconds ticked away. Three Champaign players converged on the 5'10" Tiger as he let fly. The ball floated thirty feet through a hushed gymnasium and then swished through the basket without touching the rim.

Sophomore Cagers Mount Stretch Drive

After a shaky start and a few ragged performances, Coach Bill Plymire's sophomore cagers settled down and jelled into an efficient unit that came on strong in the last half of the season. The Tigers won only 2 of their first 8 games but came back to win 6 out of 10 in the home stretch which included several reversals that revenged earlier losses and a tremendous triple overtime win over Champaign.

During the season, Ron Williams and Mac Biggers led the scorers with 14.1 and 11.0 averages respectively. Williams also led the team in the rebounding department, but he received some strong support from Kerry Hopkin, John Huett and Steve Shafer who displayed the fine rebounding strength of the team, a quality that should prove to be a great asset in the future as a varsity unit.

Coach Bill Plymire's instructions point the way to victory.

Tanker Performances Impressive

A balance of experienced seniors, improved juniors and developing sophomores paced Stan Summers' tankers to one of their most successful seasons, highlighted by an excellent 3rd place finish in district. The Tigers compiled a respectable 4-5-1 record against stiff competition that included 3 close defeats that could have been victories.

Among the upperclassmen, Captain Bruce Bowser ended his third year as an outstanding Urbana swimmer with a 7th place finish in state and was joined by Earl Payne who swam near record breaststroke times and Dan Bareither who gave the team added depth in the spirits. Among the juniors, Ted Odom again proved his diving skill by placing in district and going on to state, and Andy Miller swam to the district crown in the 400. Other juniors included Rich Cureton and Creighton Laz in the sprints and Chris Brown in the I.M. and breaststroke. Sophomores John May, Jim Weisinger and Jim Glaza added valuable contributions also and supplied some much needed depth.

Despite having only three seniors on the team, the 1968 Tiger grapplers performed admirably. Led by conference champion, Pete Alagna, the wrestlers showed the balance and potential that promises more fine teams in the future.

"Gremer's Grapplers" compiled a 7-8 record against rugged competition. The strength of the Tiger competitors was demonstrated by the fact that five of their eight losses were not decided until the final match.

The high point of the season was the district meet where Alagna, Nick Gibala and Eric Aldrich all captured first places with Ron Dix taking seconds. Both Alagna and Gibala reached the State Finals.

INDIVIDUALS

Superintendent Ray Braun

The pleasant task of bringing greetings to the Graduating Class of 1968 and to the Urbana High School student body is a welcome privilege. As I write this on Lincoln's Birthday, 1968, I confidently predict that the 1968 ROSEMARY will be a worthy addition to the 57 other ROSEMARIES.

The class of 1968 will share its commencement year with two other memorable events, the celebration of the Centennial of the U. of I. and the celebration of Sesquicentennial of the State of Illinois.

Seniors of 1968, may you cherish memories of many good times and pleasant associations during your years in Urbana High School. May you look back on them with poignant nostalgia as happy, worthwhile years of rewarding work and play. For you the future holds wonderful opportunities and grave responsibilities.

I hope that your graduation will be an important step in your progress toward desirable goals and that you may enjoy the benefits of a long, happy, and rewarding life.

To the Class of 1968

To those members of your class and others who have helped to produce this *Rosemary*, I want to extend hearty congratulations. As the years ahead dim the details of your activities at U.H.S., the *Rosemary* will help to regain the focus and warmth you enjoyed while you were here.

To each of you, as you move another step closer to your goal, I would like to wish for you much success and happiness.

R. S. Davis

Mr. Ralph Davis—Principal

Mr. Richard M. Thompson

Our Dean of Boys

Mr. Thompson is our Assistant Principal and Dean of Boys at Urbana High School. He has been kept busy this year with administrative duties and counsel concerns. Many students have found Mr. Thompson to be of great help while making plans for their futures. He has held the positions of Co-Chairman of Guidance Committee, and membership in the Homecoming and Traffic Control Committees.

Miss Sarah Jane Fisher

Our Dean of Girls

We will all remember Miss Fisher as one of our counsellors and deans. She was also an Assistant Principal. Her duties did not end there though. She was Co-Chairman of

Guidance Committee; Chairman of Scholastic and Honor Societies; Chairman of Activity and Calender Committee; and sponsor of Girls' Social Club.

She was serving the second year of a 2-year term as the High School Section Chairman of the National Association of Women Deans and Counsellors.

Presenting the Seniors of 1968

"We are winners, that's our fate. We're the class of '68." This was the seniors' motto, and they lived up to it. In May of 1967, they gave the seniors a successful prom with "Daisies Won't Tell" as the theme.

During the year, the class worked for a reunion of the class of '68 in '68.

Good-bye, Hermie Grinklebinder!

Sophomore Class Officers: Andy Green, Publicity Chairman; Judy Sirkis, Treas.; Rene Krasnow, V-Pres.; Chris Martin, Pres.

Sophs Start Early

The first things the sophomores had to think about were getting used to class meetings, being organized and learning the system of high school in general.

Once the gears were set in motion, the sophomores began to think about raising money for their starving treasury. They hoped to give a carnival in the gym. Food, activities and a band would provide the entertainment for all.

Soph. boy turns to his locker.

Soph. girl looks for help.

Eager juniors present ideas.

Juniors Plan Prom

The juniors were faced with the problem of earning money this year. They sold mums at homecoming. This was the first year that this had been tried. It proved to be very successful. Bottle drives, car washes and university viewing occupied the rest of their time. Because of their ambitious efforts, they were able to give the seniors a beautiful prom.

Junior Class Officers: *SEATED*: Melissa Turner, V-Pres.; Cindy Dickinson, Sec.; *STANDING*: Terry Plater, Publicity Chairman; Cloydia Hill, Pres.; Rick Cox, Treas.

Tennis—Balance and Aim

Urbana's Tennis team enjoyed another successful year with sparkling 10-4-1 record against some of the top teams in the state. Captain Rick Cox and Jim Lorenz formed a doubles team which had a 14-1 dual meet record, and placed second in the district to qualify for the state meet. They narrowly missed leading their team to the district championship as Urbana amassed 8 points to the winners' 10. Gary Dilley, playing third man, ended with the best singles record of 14-1. Tom Licht, Steve Tyler, and Chad Haight all added key wins throughout the season to play a large part in a successful team.

Golf-Concentration and Rhythm

Urbana's golf season could certainly not be deemed a failure, as it held an 11-4 record; first in conference and second in district. However, it was not as good as expected, since the Tigers suffered an off day in district and failed to qualify for state competition. Nick Gibala and John Gomperts led the team with Gomperts becoming conference medalist, and Gibala garnering a third in conference and fourth in the district. Creighton Laz, Chris Brown, and Tom Brown completed the team which won the conference. Jim Moake, John Thompson, and Dan Seymour provided support at various times during the season.

In only their second year of competition and first year in Big 12 competition, Urbana's baseball team showed surprising promise and made many unwary teams look up and take notice. Behind the pitching of Steve Wertz, Captain Jim Cantrell, and Kerry Hopkins, and the hitting of Malcolm Elam, Steve Wertz, Kerry Hopkin, and Hank Marshall, the Tigers displayed a balanced attack with strong pitching backed up by an awesome hitting attack. Co-Captain Pete Jones, Ralph Hursey, Mike Kerr, Spencer Aiken, and Danny Mayfield rounded out the top Tiger unit. They swept to a record finish in conference, and this their first year in the conference. With Coach Kerr at the reign, and a crop of fine juniors returning, Urbana should look for great things in baseball next year.

Track—Height and Distance

Urbana suffered a down year, quantity-wise, as participation seemed less than usual, but the quality of the performances was exceptional. Four State qualifiers led the way throughout the year: Ted Odom in the pole vault, who set a school record of 13 feet, Jim Wilson in the high jump, who set a school record of 6 feet 5½ inches, Steve Shaeffer in the discus, who set a school record of 165.9 as a junior, and Gary Shaw, who set a school record in the two mile and qualified for State in the mile as a junior. Seniors Roy Roberts, in the two mile, Rich Cureton, in the 880, Bruce Walker, in the 180 low hurdles, Steve Davis, in the broad jump, Willie Southall in the 220, 100, and broad jump, and Bob Werkman, in the 440 were all stand-outs in the season.

Students Show Concern

On May 3 an assembly was given concerning the racial situation at Urbana High School. Any student who was concerned could participate. Keith Wingate, Guy Maynard and Jim Wilson gave individual speeches. Typical classroom scenes, happenings in the halls and faculty actions were presented in skit form. Diane Thadison, Betty Young and Pat Vogel sang "There's a Place For Us". Carmelita Clark accompanied them on the piano. Bob Perry directed the assembly.

Defense Keystone to Tiger Successes

A tight defensive infield aided by steadily improving hitting made Coach Kerr's baseball team's rookie season a success as they finished above .500 in a tough 12 game schedule. Sophomore, Hank Marshall, Captain Dwight Eisenhower and junior, Dan Mayfield led the hitters while Steve Wertz, Jim Cantrell and Kerry Hopkin fulfilled the mound duties. Pete Jones, first base, Bill Adams, third base, Randy Middleton, shortstop, rounded out the efficient, balanced infield, and Glen Karr, left field and Terry Hopkin, center field completed the outfield.

Golf Power

Urbana's Golf team lived up to its potential this year. With six of the first eight men from last year's team returning. Coach Oscar Adams was looking forward to a highly successful year, and he wasn't disappointed. Nick Gibala, with the help of Jim French and John Gomperts, led the Tigers past foe after foe—and to a first place finish in the conference. Frank Bridgewater and Tom Brown provided the depth that is needed for a strong team.

Tiger Racketteers

Led by the doubles team of Pete Taylor and Rick Cox, the Tiger Netters developed into a powerful and talented team capable of playing any team in the state. They proved this in a rugged district competition by placing a close second to Mattoon. Captain Pete Taylor and Rick Cox showed the way by placing first in doubles competition. Dhruv Saxena, Chris Cutler, Gary Dilley, and Jim Lorenz gave the Tigers the overall strength which was a key factor to their success.

Depth and Distance Keystone to Urbana Success

Disregarding all pre-season predictions, Coach Herb Sliger's Urbana cindermen again came up with a fine showing that placed them among the favorites in the district and conference meets.

Although the young Tigers suffered from lack of sophomore support for the relays which constituted the majority of the indoor season invitationals, they still managed to finish high in the team standings and came back to win the Urbana Open and remain undefeated in dual competition, including wins over pre-season conference favorites Champaign and Danville.

Captain Rick Lincicome (hurdles), Larry Abernathy and Rich Cureton (880), Dave Werkman (mile), Jim Wilson (high jump), Craig Bentley (shot put), Mark Long (sprints), and Bob Marlin (440), consistently won or placed high in their respective events.

To add to their many merits, the '68 Tigers' District squad included fifteen underclassmen who will return as lettermen next year to insure another successful track season in '69.
